READING SCHEDULE & INFO

## Reading Schedule

Reading will be homework for most of this unit. Sometimes we will provide reading time in class, such as warm-up, but you will need to do a lot of reading outside of class. Use this reading schedule to budget your time wisely. If you know that you will have other obligations (club, sports, etc.) that will take up your afterschool time, read a chapter early so that you will be prepared the next day in class.
